What sort of stalls are there?

This year we have a great selection of boutique businesses showcasing our local food and wares. Almost all the stalls are from the Eurobodalla or Bega shires and make their own goods. The quality of all food and wares is very high. As the Festival is a plastic free event we offer reusable bags for sale at the Dromedary Hotel stall.

See the [Map](#) complete list of stalls, with details and links to their own FB page (where available).
